BULLETIN

Bone Growth and Drop Foot Stimulators included as HME equipment defined under OAC 4761:1-3-02 (C)

The Ohio Respiratory Care Board met on December 5, 2006 to consider Bone Growth Stimulators and Drop Foot Stimulators as Home Medical Equipment defined under 4761:1-3-02. In a unanimous vote, the Ohio Respiratory Care Board moved to approve recognition of Bone Growth Stimulators and Drop Foot Stimulators as meeting qualifications of home medical equipment as defined under Ohio law.

Facilities that rent, sell, maintain, deliver or install Bone Growth Stimulators and/or Drop Foot Stimulators are required to obtain an HME license or certificate of registration from the Ohio Respiratory Care Board.

An application can be obtained by downloading a copy from the HME website at www.hme.ohio.gov or by calling 614-644-4732
